**DECLARATION REGARDING CHANGE OF SMALL ENTITY STATUS  
PURSUANT TO 37 C.F.R. §1.27(g)(2)**

I, John K. Abokhair, declare that I am the legally appointed attorney of record for this patent.

I declare that small entity status is no longer appropriate for the purposes of calculating fees due for this patent. I request removal of small entity status pursuant to 37 C.F.R. §1.27(g)(2). Please calculate all further fees relating to this patent according to the fee schedule for large entities.

Small entity status changed for this application in July, 2004 due to an acquisition agreement between the assignee of record and a larger corporation. The Patent and Trademark Office was mistakenly not notified at the time of the change to large entity status. Therefore, some fees for this application were erroneously paid at the small entity level. The following is an itemization of the deficiency in fees owed due to these mistaken payments, as required pursuant to 37 C.F.R. §1.28(c)(2).

1. Fee for additional claims in Amendment (12 additional claims, 9 independent claims), filed July 15, 2004  
Fee Paid: \$495.00  
Current Large Entity Fee: \$2,400.00  
Deficiency Owed: \$1,905.00
2. Fee for Petition for Extension of Time (3 months), filed May 4, 2005  
Fee Paid: \$510.00  
Current Large Entity Fee: \$1,020.00  
Deficiency Owed: \$510.00

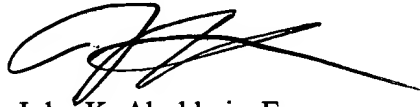

**Total Deficiency Owed: \$2,415.00**

A check for the total amount of the deficiency owed is enclosed.

I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this patent.

Respectfully Submitted,
